## OUR STORY

Welcome to our twenty-first season! In 2001 we first opened our little cafe. We worked diligently to make it a friendly, cozy, family run eatery providing great and fresh food, some Perkins Cove history, and a place where everyone feels welcome. The year 2020 challenged us with a global pandemic, but we survived! Here we are today, feeling like we beat the odds, but we're now challenged with a huge labor shortage, difficulty with supply from our food vendors and skyrocketing food costs. It's not an easy business, but we love our customers and are rewarded with the dozens of compliments we receive everyday!

If you are one of our wonderful returning customers, you will notice the changes over the years. Last year we adjusted our menu for the flood of take-out orders and we shuffled to put together outdoor dining. This year we adjusted once again to indoor dining, some new decor, and an influx of people wanting to take a vacation and enjoy Ogunquit again! We've been able to maintain a great deal of our seasoned, faithful staff working to continue their education, make a better life for themselves, their families, and just to have a little fun. We've also added to the Cove Cafe family as business is back and strong!

Jenn has been with us since the beginning. She continues to teach full time, while still spending her summers with us. Melissa, another seasoned veteran, always with a big smile on her face, also teaches school. Louise, although busy raising her four beautiful children, is ever so dependable and always a pleasure to have on board. Alyssia, our coffee connoisseur helps out in the spring and fall. Celine and Halee joined in during our "pandemic days" and we're happy to have them back! New to the waitstaff this year are Tayla and Galiana. We are so happy they have joined our family! Holding the front of the house together are Kendra, Cristina and Akira. They are all priceless!

Behind the scenes are the guys that really make it happen! Let's face it, you're here for the FOOD! Jeb's right hand man, Carlton, always has a smile on his face. He has been with us forever, and we so appreciate his hard work, passion, and commitment to the Cove Cafe. Evon, Philip, Jackson and Jack are also helping out in the back. Like Carlton, Evon and Philip also work as chefs at night. Jack and Jackson are high school students. They are both scholar athletes and are saving up for college.

And then there is Kevin! How lucky are Jeb and Heidi to have a son-in-law like Kevin! His organization skills keep us all in line. Kev helps out in so many ways and is always there when we need him. He and Jen, both teachers, are busy raising their three beautiful children, Lilla, Virginia, and Colin.

Nate and Ashley have moved to Maryland with their two boys, William and Andrew. Both are Lieutenant Commanders in the United States Coast Guard and working in D.C.

Together we will continue to work hard to provide you with a wonderful dining experience, but when we close the door in the afternoon we will be enjoying life and family! We hope you do the same!

Jeb, Heidi, and Family
