## **OUR STORY**

Welcome to our twenty-second season! In 2001 we first opened our little cafe. We worked diligently to make it a friendly, cozy, family run eatery providing great and fresh food, some Perkins Cove history, and a place where everyone feels welcome. Over the past few years we have been challenged with a global pandemic, labor shortages, supply chain issues from our food vendors, skyrocketing food costs and this year the town has closed down our ability to use our outside dining.

It's not an easy business, but we love our customers and are rewarded with the dozens of compliments we receive everyday! If you are one of our wonderful returning customers, you will notice the changes over the years. The two things that never change are our commitment to serving the best breakfast in town and the friendliest, most accommodating staff! We are fortunate to be able to maintain a great deal of our seasoned, faithful staff working to continue their education, make a better life for themselves, their families, and just to have a little fun. We've also added to the Cove Cafe family as business is back and strong!

Jenn has been with us since the beginning. She continues to teach full time, while still spending her summers with us. Melissa, another seasoned veteran, always with a big smile on her face, will be having her first child in September. Louise, although busy raising her four beautiful children, is ever so dependable and always a pleasure to have on board. Alyssia, our coffee connoisseur helps out while also working a night job. Celine and Halee are our resident college students and we're happy to have them back! Galiana is also back and helping out when her schedule allows!. New to the staff this year is Courtney and Izzy. We are so happy they have joined our family! Holding the front of the house together are Kendra, Cristina, Trystin, Chauncey, and Caroline. They are all priceless!

Behind the scenes are the guys that really make it happen! Let's face it, you're here for the FOOD! Jeb's right hand man, Carlton, always has a smile on his face. He has been with us forever, and we so appreciate his hard work, passion, and commitment to the Cove Cafe'. Jackson, Nicholas, and Mark are also helping out in the back. It takes a real team for this place to operate!

And then there is Kevin! How lucky are Jeb and Heidi to have a son-in-law like Kevin! His organization skills keep us all in line. Kev helps out in so many ways and is always there when we need him. He and Jen, both teachers, are busy raising their three beautiful children, Lilla, Virginia, and Colin. Nate and Ashley have moved to Maryland with their two boys, William and Andrew. Both are Lieutenant Commanders in the United States Coast Guard and working in D.C.

Together we will continue to work hard to provide you with a wonderful dining experience, but when we close the door in the afternoon we will be enjoying life and family! We hope you do the same!

Jeb, Heidi, Kevin and Family
